SPR International Student Survey

The SPR International Students Subcommittee (part of the Committee to Promote Student Interests) would like to know what international students like about SPR and how the society can improve to better meet the needs and wishes of international students.

If you are an international (i.e. non-North American) student, please take a couple of minutes to fill in the survey!

At the end of the survey you will find a link to a second form where you can fill in your name and e-mail address to participate in the lottery for five free one year student-membership with SPR.
